

Avery Dennison IT Announces Inaugural Supplier Excellence Award Winners

Three industry suppliers have been recognized

MENTOR, OHIO, March 12, 2024 – Avery Dennison Information Technology recognized three industry suppliers during its inaugural Supplier Excellence Awards, held virtually on March 12, 2024. The winners were selected based on their performance in sourcing partnership, delivery and performance, and innovation.

“The IT Supplier Excellence Award Program is a great opportunity for us to celebrate the achievements and contributions of our top-performing supplier partners and recognize those who went above and beyond to help us deliver innovative, cost-effective, value-added technology and services aligned with the company’s key strategies and initiatives,” said Nicholas Colisto, senior vice president and chief information officer for Avery Dennison. “Their significant contributions continue to enable IT to serve as a core competitive advantage for Avery Dennison.”

The list below details the companies recognized during the awards ceremony and their respective award categories.
