Our UK Tax Strategy

This statement is made to satisfy the UK requirements of Schedule 19 Finance Act 2016 as is relevant to our UK resident companies.

This tax strategy is part undertaken in accordance with our overall code of conduct.
UK Tax Strategy

1. Our approach to tax risk management and governance
   - We have a strong control environment around tax compliance and accounting, and seek to monitor and manage our tax risks appropriately.
   - We maintain internal policies and procedures to support our tax control framework.
   - The ultimate responsibility for UK tax compliance rests at the UK Board level and the Chief Financial Officers of our UK businesses. In addition, the EMEA Senior Tax Director based in Oegstgeest, Holland and the Vice President of Tax based in Glendale, California with their respective tax teams support the UK Board in ensuring compliance in all UK tax matters.

2. Our attitude towards tax planning
   - We engage in tax planning aligned with our commercial business activities and in compliance with UK tax rules and regulations.
   - We do not engage in artificial tax arrangements that lack economic substance, rather we evaluate potential business transactions with consideration of tax efficiency.
   - Intercompany transactions are conducted under arm’s length principles and in accordance with OECD guidelines
UK Tax Strategy

3. The level of risk in relation to UK taxation that the group is prepared to accept

• We operate a framework to ensure compliance with tax laws and regulations, and as part of that framework we seek to mitigate our UK tax risks by actively engaging with HMRC when requested on key tax matters.
• We ensure that we are compliant and understand our responsibilities with regards to UK taxes through advice from professional advisors as required.

4. Our approach to dealings with HMRC

• We engage with tax authorities, including HMRC, with transparency, honesty, integrity, respect and fairness and will respond to information requests from HMRC in a timely manner and provide access to all relevant information.
