13 industry suppliers have been honored

Cleveland, OH, June 1, 2020 — Avery Dennison Label and Graphic Materials honored 13 pressure-sensitive industry suppliers for the company’s annual Global Supplier Awards. No in-person ceremony was held this year in order to keep all employees and suppliers safe during the Coronavirus pandemic.

“It is important to recognize suppliers from around the globe whose extraordinary service to our business exceeded expectations in each of the metrics we use to measure supplier success,” said Robyn Buma, VP, North America & Global Procurement. “While we are disappointed we could not honor them in person this year, we want to ensure each supplier is awarded for their commitment to our business.”

The Avery Dennison Supplier Distinction Award Program considers four areas of excellence required to maintain a competitive advantage in an increasingly demanding industry: Sustainability, Quality, Service, and Strategic Growth.
