

Avery Dennison names Pankaj Bhardwaj Vice President of Marketing, Label and Packaging Materials business, Asia Pacific

Singapore — May 24, 2021 — Avery Dennison announces the appointment of Pankaj Bhardwaj to the position of Vice President, Marketing, Asia Pacific, for the company's Label and Packaging Materials (LPM) business, effective June 1, 2021.

Pankaj has more than 20 years of progressive experience in sales, marketing, key account management and business management. Prior to joining Avery Dennison in 2012, he has worked for Asian Paints, 3M, and AkzoNobel in various capacities. Most recently, he held the position of Vice President and General Manager for the South Asia LPM business at Avery Dennison. He is a management graduate with a bachelor's degree in Industrial Chemistry.

As the region's marketing lead for Avery Dennison's largest business unit, Pankaj will be responsible for defining the strategic direction for product portfolios, sustainability, and innovation. He will also identify and drive new growth platforms while fostering collaboration across the industry. He will be based out of Singapore.

About Avery Dennison

Avery Dennison (NYSE: AVY) is a global materials science company specializing in the design and manufacture of a wide variety of labeling and functional materials. The company's products, which are used in nearly every major industry, include pressure-sensitive materials for labels and graphic applications; tapes and other bonding solutions for industrial, medical, and retail applications; tags, labels and embellishments for apparel; and radio frequency identification (RFID) solutions serving retail apparel and other markets. Headquartered in Glendale, California, the company employs more than 30,000 employees in more than 50 countries. Reported sales in 2020 were \$7.0 billion. Learn more at www.averydennison.com.
